ANNEX II

Product Categories and Standards for safety- and, if applicable, their associated EMC testing

Party A is accepted in the IECEE-CB Scheme for issuing CB Test Reports and Certificates, or is formally accredited for by a national accreditation body being member of the International Laboratory Accreditation Cooperation (ILAC , etc).

EMC Test Reports shall be recognized by Party B only in the case when the associated Safety Test Report was recognized by Party B .

The scopes may however be extended or reduced subject to further written agreement between the Parties, including ad hoc agreement by letter of email.

List of Categories and Standards

Audio/video equipment (TRON)
Office & Data equipment (OFF)
Measurement equipment (MEAS)
Household and similar equipment (HOUS)
Portable tools (TOOL)
Electromagnetic Compatibility (EMC)
Luminaries (LITE)
Cables and Cords (CABL)
Switches for appliances and automatic controls for electrical household appliances (CONT)
Electric Vehicles (ELVH)
Industrial Automation (INDA)
Installation accessories and connection devices (INST)
Low voltage, high power switching equipment (POW)
Installation protective equipment (PROT)
Safety transformers and similar equipment (SAFE)
Batteries (BATT)
Photovoltaic (PV)
Toys
