

ANNEX II

Product Categories and Standards for safety- and, if applicable, their associated EMC testing

Party A is accepted in the IECEE-CB Scheme for issuing CB Test Reports and Certificates, or is formally accredited for by a national accreditation body being member of the International Laboratory Accreditation Cooperation (ILAC , etc).

EMC Test Reports shall be recognized by Party B only in the case when the associated Safety Test Report was recognized by Party B .

The scopes may however be extended or reduced subject to further written agreement between the Parties, including ad hoc agreement by letter of email.
