Use of the IQNet Mark by Certified Organizations

The official **IQNet Certification Mark** is a registered and protected trademark owned by the **IQNet Association** (The International Certification Network).

Its use is permitted **only** in accordance with IQNet rules and under the supervision of, SII – QCD (Standards Institution of Israel – Quality & Certification Department) as an official IQNet Partner.

Eligibility for Use:

Organizations holding a valid management system certificate issued by SII-QCD together with the corresponding IQNet certificate, are authorized to use the IQNet Certification Mark under the following conditions:

Permitted:

- The IQNet Mark must **always appear together** with the SII-QCD **symbol/ logo provided to you**, in accordance with the approved management system certification granted to your company.
- It may be used on **official documents, letterheads, signs, websites, and promotional materials**, but **not** on products or primary/secondary packaging reaching end users.
- The following may be displayed with the mark:
  - The certified organization's name
  - Certificate registration number (optional)
  - Applicable standard (e.g., ISO 9001)
- Use of the mark is allowed **only during the validity period** of the certificate.
- The mark must be used **in the original colors and proportions** as defined by SII-QCD

Prohibited:

- It is **not permitted** to use the IQNet mark **without the symbol/logo provided by the** SII-QCD in accordance with the approved management system certification granted to your company
- It is **not permitted** to Place the mark on **products** or **consumer packaging** (including inspection / laboratory / calibration reports, etc.)
- Alteration of the mark's color, design, or proportions.
- Implying that a **product** itself is certified by IQNet (only the management system is certified).

Responsibility and Supervision

The certified organization bears full responsibility for proper use of the IQNet Certification Mark. SII-QCD as an IQNet Partner, is responsible for ensuring compliance with IQNet and accreditation body rules.
Improper or misleading use may result in suspension or withdrawal of certification.
